Headmaster's Address

In 1982-83, Robert Land has celebrated its fifth anniversary. These past five years have been filled with challenge, growth and excitement as the Academy has developed from an idea to a working reality. A great deal of energy, toil and support from both cadets and faculty have made Robert Land Academy what it is today.

A sense of permanence prevails in our fifth year. This is seen from the "settling" of the military theme to the advent of the final shaping of the campus into a facsimile of a British fort of the 1812 era and the construction of our first permanent academic building.

From our short, yet abundant, past five years, a wide variety of interests, challenges and activities now flow. The outward bound nature of the school develops versatility in both curricular and extra-curricular pursuits combining the Academy's traditional values with the continued development of the ideal.

Please allow this message to be one of thanks to all present and past cadets, our faculty, Board of Governors and community for the past five years. May our next five years be even more productive.

G. Scott Bowman, B.A. KH (Capt.)
Headmaster

Director of Studies Comments

Five years is a long time in the life of one person, but a brief moment in the life of a school. Now that Robert Land has passed its historic fifth birthday, we should pause to remember some highlights, and also to look ahead to our next five years.

Academically, each year had many memorable occasions, from students passing for the first time in their lives to an ever growing Honour Roll. Each year, we added new grades and subjects to our school curriculum, which meant a lot of hard work and adjustment by students and teachers. We have also seen our first grade 12 graduates leave us, with Diplomas firmly in hand. No-one has to be reminded of the study halls, classes, tutorials and even laps which have led to so much success for so many students.

Within our next five years, I can see a Robert Land Academy which moves into new, permanent classrooms, which stresses sound academic skills in a more diversified curriculum, and which achieves even more academic success. I can see some of our graduates going directly to University, as well as to College and other schools. No matter how large the school grows, I can see it remaining, in spirit, a "one-room school house".

Lastly, I can see our old boys becoming a bigger and better organized group, taking more and more of a part in our school activities. I trust that this group will include you as an active, committee member.

Congratulations to all for making our fifth year as interesting and successful as our first four!

Edward P. Godden, M.A.

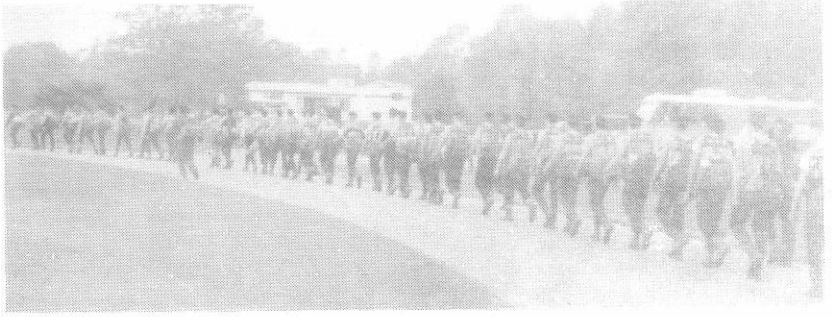
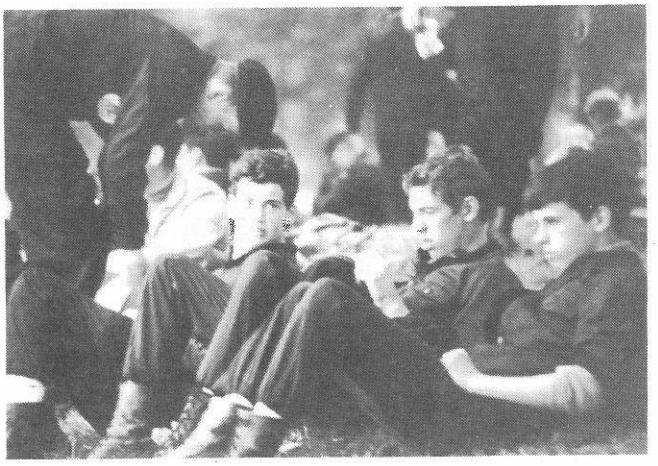
OPERATION APPRECIATION

This year's fall exercise took a hundred strong group of cadets and staff from St. Catharines through Niagara-on-the Lake, Niagara Falls and Fort Erie. Three days, 60 miles, lost of groans, blisters and tired feet, but everyone made it!





ANNUAL CADET CORPS INSPECTION

On May 7th, Robert Land Academy was inspected by Col. A.S. Cafik, C.D. Parade commander Cadet Sergeant Alan Rudson led the Corps through an excellent parade. The displays of wrestling, boxing, first aid, archery, greenhouse, photography, kit, model building, academic achievement, automotives and the Volunteer Rifles were splendidly presented. Unfortunately, heavy wind turbulance forced cancellation of both rocketry and rappelling.

The Corps would like to thank the Pipes and Drums of the Argyll and Sutherland Highlanders for their excellent support.

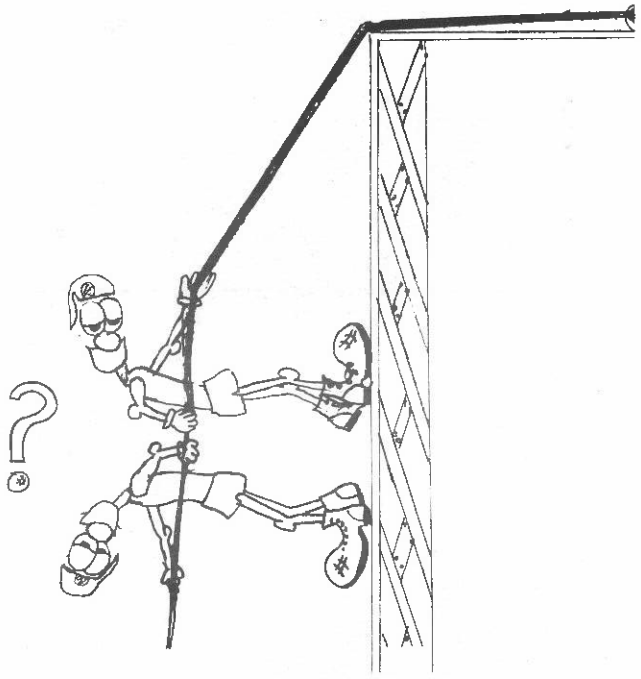
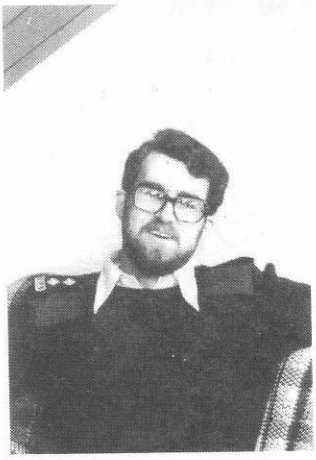
A very busy year for the Cadet Corps. In addition to the Fall Exercise, Annual Inspection, regular training and the senior cadet shoot at Winona, the Corps participated in a number of events. Robert Land provided base and landing zone security for an American-Canadian airborne exercise. The Academy proudly took part in the annual Bergen-op-Zoom parade.

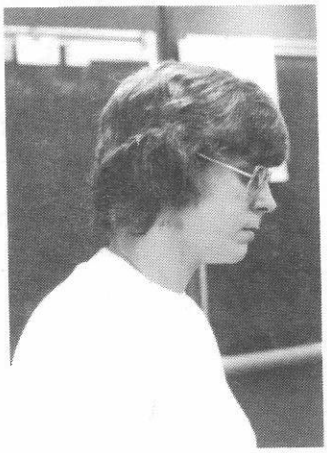
November 11 R.L.A. woke at 5:00, had a cold breakfast on the parade square and marched the 10 miles to Dunnville to participate in the Remembrance Day ceremonies. After a parade, the laying of wreaths and a march past, the Academy returned home for their own ceremonies. A special salute to Pipe Major J. Caddis for piping us in.

The Governor's Parade was a success. Mr. Hawkins, chairman of the Board reviewed the Corps and praised them as "a fine looking group of young gentlemen."
At the end of the second term parade, the Academy was proud to be be inspected by Chevalier G.L. VanKoughnett, KH.

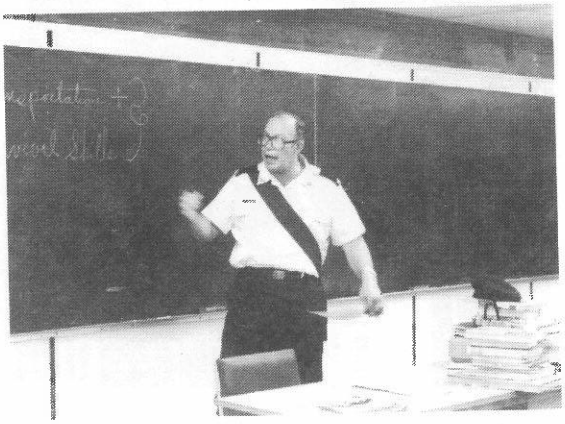
Thirty volunteer cadets and N. C. O.'S provided security personel for the Annual Niagara Regional Police Tattoo. In addition, units of the Corps marched with distinction in the Lincoln and Welland Regiment's change of command parade, the Dunnville Decoration Day parade and the Mudcat Festival.







RLA

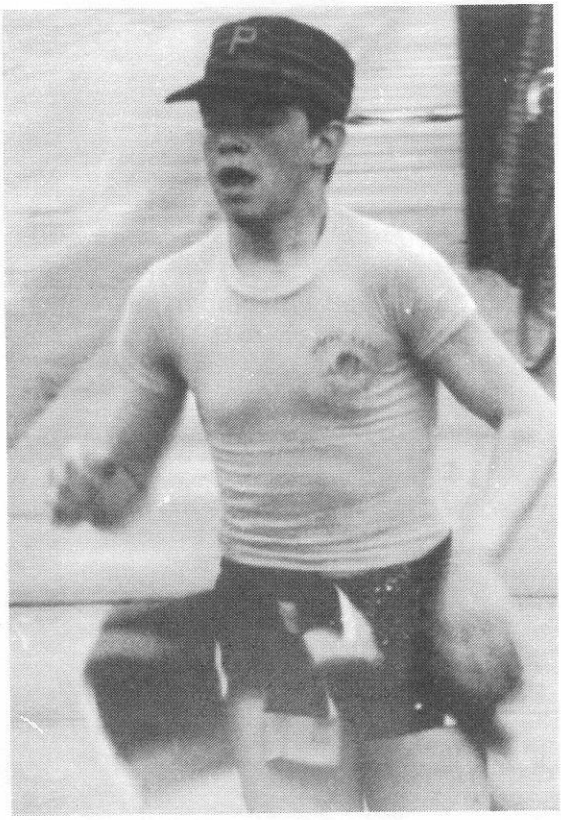


CANADIAN LEGION PUBLIC SPEAKING CONTEST

Robert Land cadets swept the three top places in the Remembrance Day Public Speaking Contest in Dunnville. Paul Strathdee was in fine form as he captured first place. Robert Dixon and Drew Coombs finished second and third with strong performances.

THE TERRY FOX RUN

Robert Land runners participated in the Marathon of Hope with good results. Brian Davis and Mike Ritchie were our top finishers and over five hundred dollars was raised for cancer research.

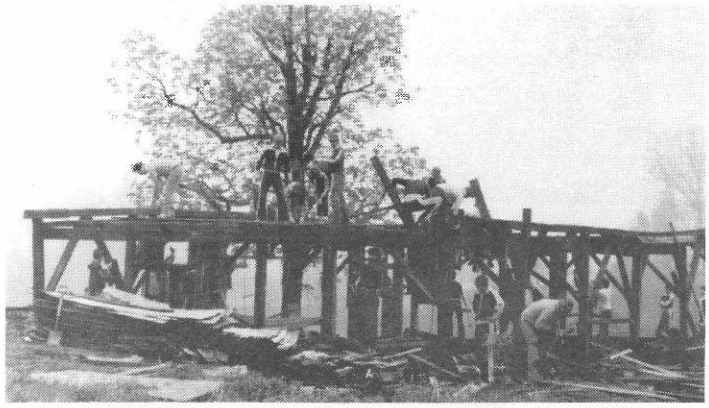


CANCER MOV-ATHON

The entire Academy ran in the annual event. Mike Ritchie set a new record for the 10 mile distance. The first eleven finishers were all R. L. A. Cadets. We raised over $2,000.00 to fight cancer.

SKI TRIP '83

Although the day began wet and gloomy, the sun broke through and shone on fifty-five cadets, parents and staff. A solid day of fun on the slopes of Kissing Bridge. While the more timid enjoyed the chalet, the majority showed fine form. Mark Galloway and Bill Prentice added new meaning to downhill skiing.



FATHER - SON DAY

The weather was growling but the day went as planned. The day was filled with labour, baseballs, leaves and one Big dinner. The saw mill and lots of trees and bushes came down as R. L. A. prepared for its new look campus. A day of rain, fun and hard work. the W. D. K. W. T. C. T. B. W. J. T. I. U. A. D. Award went to Mr. Viennneau

WINTER CARNIVAL

Staff, parents and cadets ignored the lack of snow and continued to share a great day of fun and games at the Academy. There were skating contests, canoe races, tug of war, pie eating contest, puck curling, hockey skills, snow ball fighting and even cross country skiing. In the great skill and effort that was put in by all the teams, Ritchie's Raiders emerged triumphant.

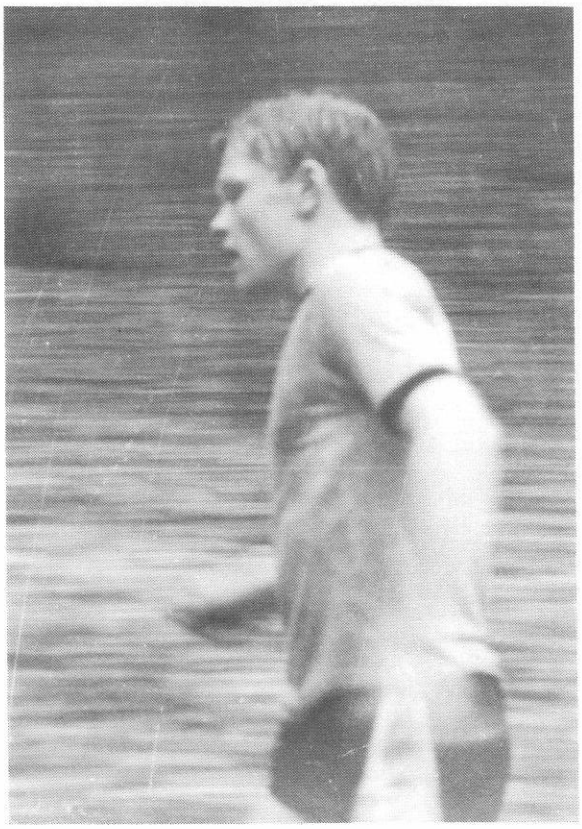
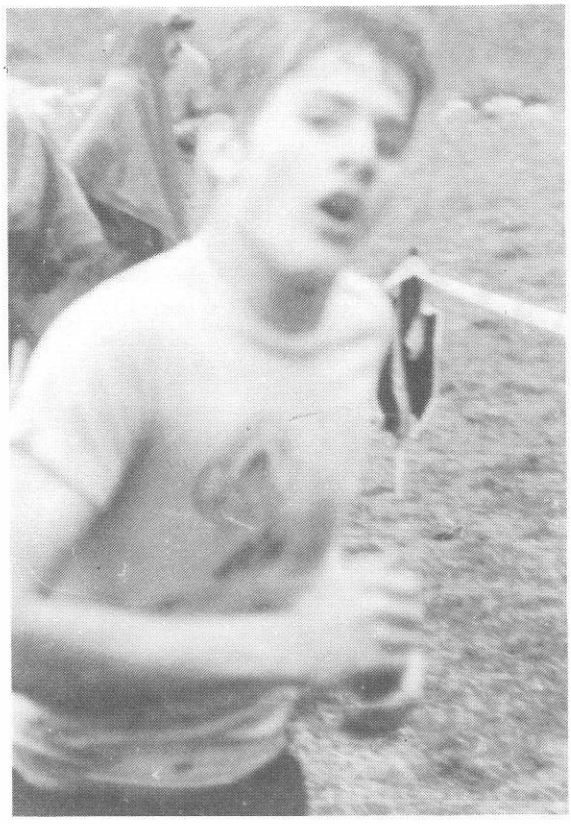
CROSS COUNTRY

In an early season invitational meet Robert Land did well. Brian Davis won the seniors even while Drew Coombs took third in the juniors. Jean Gardell and Mike Ritchie also ran well.
At SOSSA, R. L. A. received strong efforts from Brian Davis, Dave MacDougall, Rob Dixon, Mike Ritchie, Jean Gardell, Drew Coombs, Roger Scarth, Mark Galloway and Chris Montgomery. The senior team placed fourth overall and the juniors took sixth place.





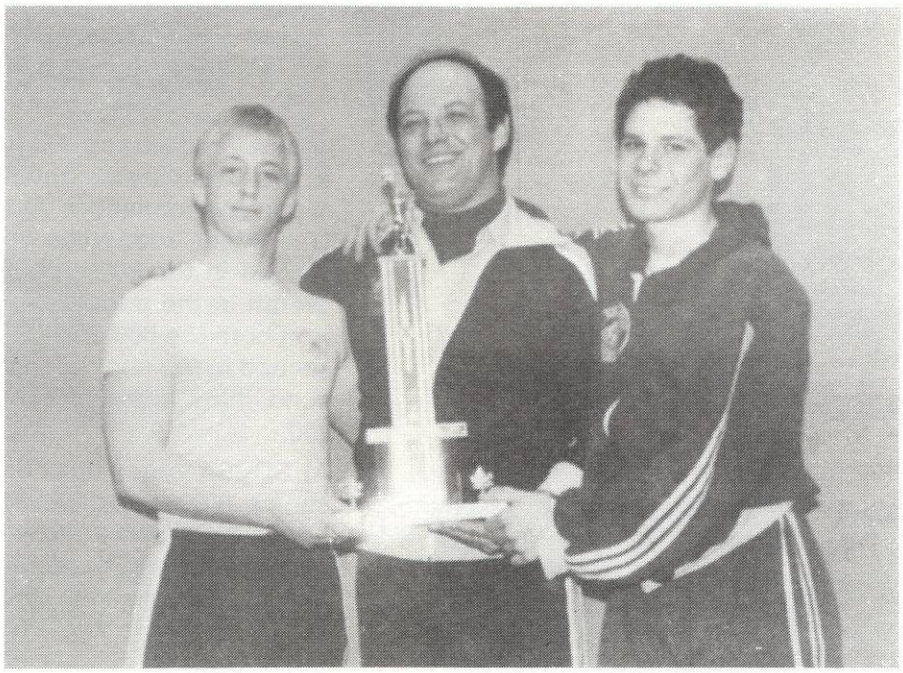
SOCCER

The junior soccer team was undefeated in four games. In their first game, Robert Land was sensational as they blanked Dunnville 3-0. Paul Nixon, Mark Zglinicki and Kyle Stubbins all scored fancy goals. Tasso Karas was unbeatable in goal.

Robert Land then defeated Anna Maelick by a score of 3-1. Eric Walsh scored a beautiful goal on a very hard shot. Other goal scorers were Kyle Stubbins and Chris Kirwan.

The next game between R. L. A. and Dunnville ended in a 1-1 tie. Paul Nixon fired the goal for Robert Land. The fourth and final game was a scoreless tie against Anna Maelick. Robert Land's defense was very strong and Glen Dyke made several outstanding saves in goal. Robert Land's defense and goaltending was sensational throughout the fall. We gave up a total of two goals in four games.

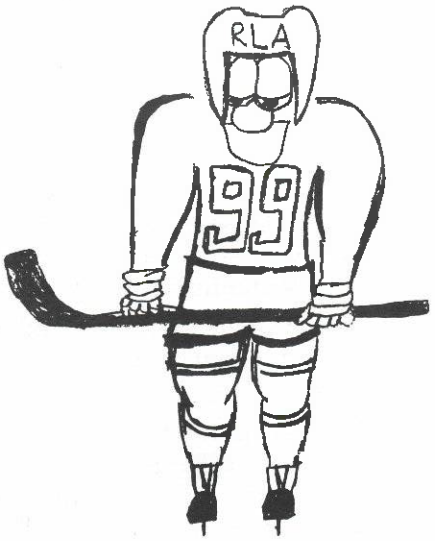
The staff-student soccer gaem was a very exciting match. The game was well played and the staff won 2-0. Mr. Crutwell and Mr. Bowman scored for the staff. The students are improving and deserve to beat the staff in the future.



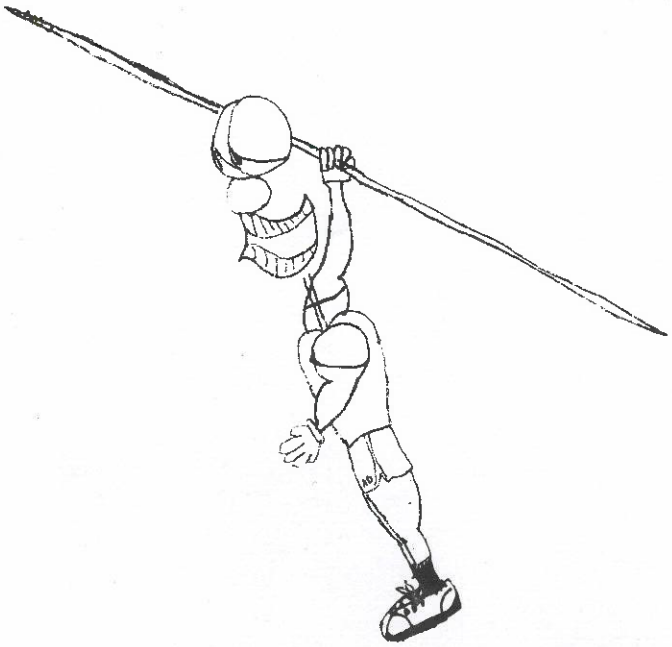
SOSSA ZONE CHAMPIONS!

The wrestling team was proud to win the Academy's first-but not last-SOSSA Zone Championship.

HOCKEY



Robert Land's hockey team did not win any games but it worked hard to improve all year. Dunnville Central won the first game 12-2. Kyle Stubbins and John Paul Habib scored for the school. In a return match, Robert Land lost a close 6-4 game. Tasso Karas, Chris Rischel, Mark Zglinicki and Kyle Stubbins scored for the Academy. After a close loss to the Dunnville Allstars, the team dropped a 10-9 shootout with Dunnville Central. Mark Zglinicki scored four goals, Chris Rischel had three and Judd Niles and Steve Warner had one each. Although we went winless, the team worked hard and showed true Robert Land spirit in every game.



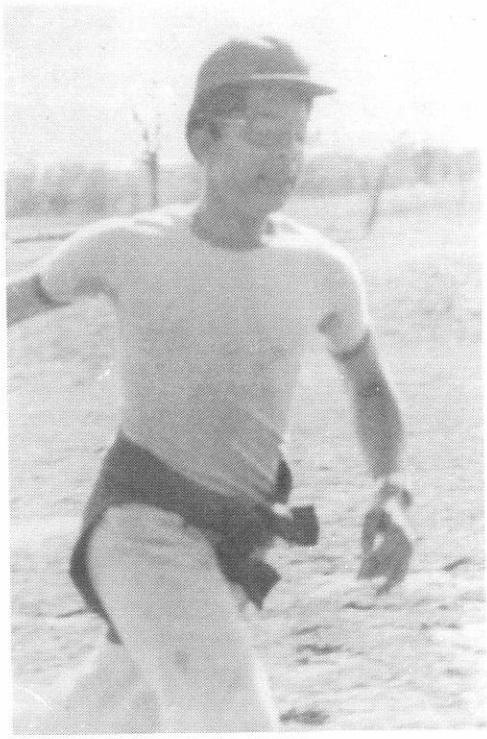
TRACK AND FIELD

Robert Land's track and field team continued to improve this year and there were a number of good performances. At the Dunnville Legion Track Meet, Judd Niles won the 400 and came second in the 800 and 1500. Judd was third overall in the midget boys. Robert Freeman won both the 800 and 1500. Brett Bailey took second in the shot put, Dave MacDougall second in the 1500 and Bill Prentice third in the 200.

At SOSSA zone, Mike Ritchie won both the senior 1500 and 3000. Bernie Lee won the junior 3000 and took second in the 1500. Robert Freeman captured second in the 800 and third in the 3000. Brett Bailey took third in shot put. The 4 x 100 relay team of Glen Dyke, Sean Bishop, Doug Chesebrough and Scott Hunter won a second. All of these athletes represented the Academy well at the SOSSA finals.

BASEBALL

Both the Senior and Junior Baseball teams played in Dunnville and against the staff. Although they were not victorious, they showed a lot of skill and spirit. The baseball games were exciting. Matthew Robinson, Steve Kreller and Chris Rischel stood out for the Juniors. Bill Prentice, Rob Dixon and Fred Caselberry led the way for the Seniors.



WRESTLING

The wrestling team continued to improve. This year we entered four invitational tournaments and had good showings in all of them. In the Lakeport Novice, Glen Dyke won a silver medal, Chris Rischel took fourth and Eric Walsh a fifth place finish. At Welland Eastdale, Glen Dyke took a Silver, while Mike Ritchie and Eric Walsh both had fourths. At Hagersville, Glen Dyke again finished in the medals with a bronze. Mike Ritchie placed fourth. Mike Ritchie and Brian Davis had fourths at Valley Heights.

At SOSSA Zone Robert Land won its first championship in any sport. We defeated second place Hagersville by 37 points. First place crests were won by Darren Levant, Brian Davis, Mike Ritchie, Paul Nixon, Chris Rischel and Glen Dyke.

At SOSSA finals R.L.A. finished 11th out 14 qualifying teams. Darren Levant had a fourth place finish and Mike Ritchie took fifth.
